

Hello Everyone,

BRIDLE PATH WORK

Bridle Path work will begin tomorrow April 6th, starting on the paths between Thunderbird and Voltaire. The contractor will continue moving South. Several Bridle paths will have more extensive work performed due to deep rutting. Please refrain from using the Bridle Paths and parking on them. Contact your landscapers to ensure they are not blocking any of the Bridle paths over the next week.

Thank you to all the neighbors who cleaned their Bridle path areas and side easements. There is a contractor onsite completing the clean up for property owners who did not clear their areas before the Bridle path work begins. Billing for the worked performed on these lot will be sent at the end of the month.

FUN EVENT ON SATURDAY

Reminder that we have a fun event happening in the community on April 8th from 9:00 am to 12:00 pm. Neighbors in the community will be show casing their classic and unique cars on Pershing Ave, between 52nd and 54th Street. Stop by and meet your neighbors and enjoying viewing beautiful cars.
